

Katharine (Katie) Yamulla MHEA, CHSE; Assistant Dean of Clinical Skills Education and Assessment and the founding Director of the Clinical Skills and Simulation Center (CSSC) at New York Medical College (NYMC). Contact: katharine_yamulla@nymc.edu.

Katie oversees campus-wide clinical skills education and assessment for medical students, residents, physicians, and students in the health professions. This position bridges academic and clinical communities, enhances affiliation agreements, boosts faculty development initiatives, and promotes longitudinal learning. She is also chair of the Student Assessment Subcommittee for the School of Medicine. Recently she designed a 3.2 million dollar expansion of NYMC's Clinical Skills and Simulation Center (CSSC). More than 7,000 learners train at the CSSC. Her peer-reviewed workshops have been recognized by the International Society for Medical Science Educators, the Society for Simulation in Healthcare, Society of Teachers of Family Medicine, and the Group on Educational Affairs. She is the recipient of the Westfair Communications Female Innovator of the Year Award (2024), The Children's Dream Foundation of Westchester Educator of the Year Award (2022), the Business Council of Westchester 40 under 40 Rising Star Award (2017), and the United States Navy Seabees Distinguished Scholar Award (2015).

Katie has been an active member of DOCS since 2015. She served as the Program Planning chair from 2021-2024, as President Elect in 2024-2025 and is currently the 2025-2026 President of DOCS.
